Calling music lovers aged 18 - 25!

We are looking for 10 Southampton-based music lovers aged 18-25 to create music events for young people at one of the city's top music venues.

We are looking for people with a range of musical tastes who are passionate about the music scene in Southampton. You'll gain incredible experience of working in the music industry along the way.

"The Vibe has definitely changed how I see arts and culture in the city. Turner Sims saying you guys aged 18-25, you are going to shape the next 20 years in the city and we value your opinions - that was really special." – Josh, The Vibe Collective 2024-25
