

### **Why should I become a Friend of Turner Sims?**

Becoming a Friend is one of the most meaningful ways to support the joy of live music at Turner Sims.

Your membership helps us bring exceptional artists to Southampton, create inspiring experiences for audiences, and ensure Turner Sims remains accessible, welcoming and vibrant for generations to come. As a Friend, you'll also enjoy benefits such as priority booking, invitations to Friends events and other opportunities to feel closer to the music you love.

### **I am a current Friend. Has anything changed in the scheme?**

Yes. We have recently refreshed our Friends scheme to ensure it is financially sustainable and has the greatest possible impact for Turner Sims and our audiences.

All current Friends will be contacted in advance of their renewal date with clear information about their options. Priority booking continues to be a benefit for all Friends, and the updated scheme offers a range of membership levels so supporters can choose the option that feels right for them.

If you have a specific question about your membership, our Box Office team will be very happy to help.

### **What are the benefits of becoming a Friend?**

All Friends receive priority booking, giving you early access to selected Turner Sims concerts before general booking opens.

Depending on your membership level, you may also receive benefits such as ticket discounts, invitations to Friends events, a printed Friends newsletter, complimentary drinks at season launches, and other opportunities to get closer to Turner Sims.

Full details of each membership level are available on our Friends membership page.

### **How does my membership support Turner Sims?**

Your membership directly supports Turner Sims' work as a home for live music, artists, audiences, students and the wider community.

Friends help us present outstanding performances, nurture new audiences, support meaningful engagement activity, and keep Turner Sims a place where people feel welcome and included. Every membership makes a difference.

### **How do I become a Friend or renew my membership?**

You can become a Friend or renew your membership online, by phone, or in person through our Box Office.

Current Friends will be contacted before their renewal date with information about their options. If you would like to talk through the different membership levels, our Box Office team will be happy to help you choose the best option for you.
